

Symposia at the SRA 23rd Annual Meeting

Monday, December 8

10:30 AM-Noon

M1 - The Role of Risk Assessment in Environmental Security and Emergency Preparedness in the Mediterranean Region. (Room: Mt. Washington)

M4 - Space and Risk. (Room: Salon D)

M5 - Epidemiology and Individual Risk in Litigation. (Room: Salon F)

M9 - Probabilistic Methods to Assess Worker Exposure to Agricultural Pesticides, Part 1. (Room: Federal Hill)

1:30-3:00 PM

M12 - Genetically Modified Organisms: Assessment of Benefits and Risks to Health and the Environment. (Room: Salon E)

M13 - Risk Assessment and Risk Communication Methodologies for Bioterrorism Incident Response. (Room: Salon D)

M15 - Integrating Epidemiological Data into Risk Assessments. (Room: Salon A)

M18 - Probabilistic Methods to Assess Worker Exposure to Agricultural Pesticides, Part 2. (Room: Federal Hill)

3:30-5:00 PM

M22 - Risk Assessment and Risk Communication Methodologies for Bioterrorism Incident Response. (Room: Salon D)

M24 - Integrating Epidemiological Data into Risk Assessments. (Room: Salon A)

M25 - Risk Integration at Contaminated Sites: Eye on the Future. (Room: Guilford)

M27 - Agricultural Chemical Safety Assessment: A Multi-Sector, International Project. (Room: Federal Hill)

Tuesday, December 9

10:30 AM-Noon

T4 - Structured and Defendable Decision-making Processes for Reuse of Contaminated and Disturbed Sites. (Room: Salon D)

T3 - Mycotoxins: Risks, Regulations, and Economic Impacts. (Room: Salon E)

T5 - The Voluntary Children's Chemical Evaluation Program Pilot: Integrating Exposure Evaluations to Enhance Decision Making. (Room: Salon F)

1:30-3:00 PM

T10 - Structured and Defendable Decision-Making Processes for Reuse of Contaminated and Disturbed Sites. (Room: Mt. Washington)

T12 - Risk Assessment and Food Security. (Room: Salon E)

T18 - Chemical Uptake from Environmental Media: Plant Uptake and Bioavailability to Humans and Animals. (Room: Federal Hill)

3:30-5:00 PM

T24 - The State of the Science in Children's Health Research. (Room: Salon A)

T25 - Bridging the Land Use and Risk Analysis Divide at U.S. Department of Energy Sites. (Room: Guilford)

T26 - Determinants of Trust in Risk Management. (Room: Homeland)

Wednesday, December 10

10:30 AM-Noon

W2 - Value of Information Techniques. (Room: Fells Point)

W3 - Uses and Interpretation of Human Biomonitoring Data. (Room: Salon E)

W5 - Impacts on Risk Policy and Practice: Red Book, Risk Commission, Understanding Risk. (Room: Salon F)

W7 - Pathogen Performance Standards: Insights from Risk Assessment and Economics. (Room: Guilford)

W9 - Comparison of Threshold Dose-Response Methods for Complete Data Sets: Copper as a Case Study. (Room: Federal Hill)

1:30-3:00 PM

W11 - Visualizing Risk: Using Images for Risk Communication. (Room: Fells Point)

W15 - Expert Judgment in Characterizing Uncertainties for Quantitative Risk Assessment, Part 1. (Room: Salon A)

3:30-5:00 PM

W23 - International Needs/Resources in Risk Assessment. (Room: Salon F)

W24 - Expert Judgment in Characterizing Uncertainties for Quantitative Risk Assessment, Part 2. (Room: Salon A)
