

**Dose-Response Specialty Group, SRA  
July 18, 2006 – Meeting Notes**

Present were Justin Teeguarden, Dale Hattis, Ralph Kodell, Paul Schlosser, Peter McClure, Gary Foureman, and Patty Toccalino

**1. Student awards (Paul Feder):**

- We have 5 applicants; announcement was sent to entire mailing list.
- Gary and Patty will work with Paul to decide upon a scoring system and to evaluate the abstracts.
- DRSG will be the first to contact students about their awards.
- Lori Strong can help with the mechanics such as ordering plaques, student travel, etc.
- Gary will check with Paul Zager to see if he has letters that were sent to winners and runners up in prior years.
- Paul will find a ribbon to put by the student poster.
- The plan is to have only 1 award.
- All 5 applicants will receive a personal invitation to attend the DRSG mixer.

**2. Planning meeting (Dale Hattis):**

- We received good time slots for DRSG-sponsored sessions.
- Little guidance was provided on how to evaluate abstracts.

**3. Adversity workshop:**

- Patty gave a brief update on the status of plans for the workshop – it's moving forward.

**4. Mixer:**

- Gary and Paul organized the mixer last year. It's organized through Lori Strong.
- SRA provides \$500 for the mixer and DRSG provided another \$500.
- Chair designates when the mixer will be and selects menu items.
- Lori will schedule a business meeting.
