

DRSG Meeting Notes: DRAFT
August 4, 2009

Participants: Patty Toccalino, Jeff Gift, Alan Davis, Dale Hattis, Peg Coleman, Michael Dourson, Tony Fristachi, Paul Feder, Sara Henry, and Julie Fitzpatrick

1. Secretary/Treasurer's report – Julie Fitzpatrick
 - a. Minutes from July 7 business meeting – motion by Patty was seconded Paul and accepted by group. May minutes were accepted after a motion by Patty which was seconded by Michael.
 - b. Status of treasury - Second quarter begun with \$5,743.02 and we had income of \$150.00 to close quarter with \$5,893.02
2. DRSG abstract award – Paul Feder

About 90 abstracts submitted that identified DRSG as principal SG and will be reviewed by the committee that Paul has formed. The abstracts will be classified as submitted – not as altered by program committee.
3. Student awards – Patty Toccalino

Dale Hattis, Paul Schlosser, Patty Toccalino, and Steve Lewis have agreed to serve on the committee. The committee will meet in the next few weeks to make the decision. Student gets honorium, award plaque, meeting registration and DRSG membership.
4. Teleseminar series – Jeff Gift

On September 1st Paul Price will present a TeleSeminar on low dose linearity, apical effects, and precursors. Richard Stedman, California OHEA, will be invited to make a formal response to Paul's presentation followed by an open discussion.

The October 6th TeleSeminar will present David Dix from NCCT to update the group on lack of toxicity data and how to fill data gaps with high through put data.
5. Paul brought up the idea for a "SRA New Initiative" to initiate a website that will catalog all the PowerPoint presentation materials presented on the TeleSeminars for all specialty groups.
6. Mixer – we need to be proactive in planning this years' mixer which will be a joint mixer with EASG. Tony F. will coordinate with Paul on the mixer planning.
