

SRA Policy Forum Risk Governance for Key Enabling Technologies

March 1-3, 2017, Venice, Italy

Preliminary Agenda

Wednesday, March 1, 2017		
15:00 – 16:00	Registration Opening Addresses	UNIVE, Ca Dolphin, Aula Magna
16:00 – 18:00	Introduction	Igor Linkov Danail Hristozov Antonio Marcomini UNIVE, Ca Dolphin, Aula Magna
19:00	Welcome Reception	Cultural Center Don Orione Artigianelli, Restaurant
Thursday, March 2, 2017		
08:00 – 08:45	Registration	Cultural Center Don Orione Artigianelli
08:45 - 10:00	Panel 1: Challenges of Emerging Threats: Framing, Needs and Policy	Cultural Center Don Orione Artigianelli, Aula Magna
10:00 - 10:30	Coffee Break	Cultural Center Don Orione Artigianelli
10:30 – 11:45	Panel 2: Solutions and Tools – Where Does the Field Go?	Cultural Center Don Orione Artigianelli, Aula Magna
11:45 – 12:00	Plenary Session 1	Cultural Center Don Orione Artigianelli, Aula Magna
12:00 – 13:00	Lunch	Cultural Center Don Orione Artigianelli
	Parallel Session 1	
	Theme 1: Risk Assessment and Management of Engineered Nanomaterials Along the Lifecycle of Nano-enabled Products	
13:00 - 14:15	Theme 2: Risks and Benefits of Emerging Technologies Used in Medical Applications Theme 3: Challenges of Governing SynBio and Biotech Theme 4: Methods and Tools for Risk Governance	Cultural Center Don Orione Artigianelli, rooms TBA

	Parallel Session 2	
	Theme 1: Risk Assessment and Management of Engineered Nanomaterials Along the Lifecycle of Nano-enabled Products	
14:15 - 15:30	Theme 2: Risks and Benefits of Emerging Technologies Used in Medical Applications	Cultural Center Don Orione Artigianelli, rooms TBA
	Theme 3: Challenges of Governing SynBio and Biotech	
	Theme 4: Methods and Tools for Risk Governance	
15:30 - 16:00	Coffee Break	Cultural Center Don Orione Artigianelli
	Parallel Session 3	
	Theme 1: Risk Assessment and Management of Engineered Nanomaterials Along the Lifecycle of Nano-enabled Products	
16:00 - 17:15	Theme 2: Risks and Benefits of Emerging Technologies Used in Medical Applications	Cultural Center Don Orione Artigianelli, rooms TBA
	Theme 3: Challenges of Governing SynBio and Biotech	
	Theme 4: Methods and Tools for Risk Governance	
17:15 - 18:30	Poster Session	Cultural Center Don Orione Artigianelli, room Vivaldi
19:30	Gala Dinner	Outside the conference venue, TBA

Friday, March 3, 2017

08:00 – 08:45	Registration	Cultural Center Don Orione Artigianelli
	Parallel Session 4	
	Theme 1: Risk Assessment and Management of Engineered Nanomaterials Along the Lifecycle of Nano-enabled Products	
08:45 - 10:00	Theme 2: Risks and Benefits of Emerging Technologies Used in Medical Applications	Cultural Center Don Orione Artigianelli, rooms TBA
	Theme 3: Challenges of Governing SynBio and Biotech	
	Theme 4: Methods and Tools for Risk Governance	
10:00 - 10:30	Coffee Break	Cultural Center Don Orione Artigianelli

Parallel Session 5

Theme 1: Risk Assessment and Management of Engineered Nanomaterials
Along the Lifecycle of Nano-enabled Products

10:30 - 11:45	Theme 2: Risks and Benefits of Emerging Technologies Used in Medical Applications	Cultural Center Don Orione Artigianelli, rooms TBA
	Theme 3: Challenges of Governing SynBio and Biotech	
	Theme 4: Methods and Tools for Risk Governance	
11:45 – 12:00	Plenary session 2	Cultural Center Don Orione Artigianelli, Aula Magna
12:00 – 13:00	Lunch	Cultural Center Don Orione Artigianelli
	Debate: Is Traditional RA applicable to Key Enabling Technology or Should Paradigm be Changed?	
13:00 - 14:15	Panel: Applications and Implications of Biotech, SynBio and Personalized Medicine	Cultural Center Don Orione Artigianelli, Aula Magna
14:15 - 15:30	Coffee Break	Cultural Center Don Orione Artigianelli
15:30 - 16:00	Concluding Discussion	Cultural Center Don Orione Artigianelli, Aula Magna
